CONDITION OF SALE

The above puppy is being purchased as a companion pet. A companion pet is defined herein to provide companionship. The puppy, to the best of the Owner's knowledge, is in good health and is free of communicable diseases at the time of transfer. The Seller does not assume any responsibility for any injury provided to Buyer. The Buyer acknowledges that this is the puppy being requested. The Buyer agrees and accepts this puppy.

VACCINATION

All appropriate vaccinations for the puppy's age have been given at the time of transfer and have been explained to the Buyer. A record of this vaccination history will be provided to the Buyer and the Buyer has reviewed and understands the puppy's vaccination history as of the date of transfer. While the appropriate vaccinations have been given according to the age of your puppy, if you are receiving your puppy between the age of eight weeks to fourteen weeks, it is suggested that you do not take your puppy out in public or to a puppy park until they have received all of the vaccinations. (The vaccination program is recommended by the Seller's Animal Health Care Provider. The puppy should continue on with their vaccinations through the age of 14 weeks or as directed by their Health Care Provider. Even though your puppy has been treated for worms, parasites and the prevention of ear mites, we cannot guarantee the puppy to be free of worms or parasites as many factors contribute to this and many factors contribute to this and worms and parasites can be picked up and transmitted to the puppy after leaving the Seller's care. Dew claws will be removed shortly after birth. Dew claws will grow back 10% of the time and we cannot guarantee your pup will not regrow their dew claws.

VETERINARIAN EXAM

The puppy has been examined by the Seller's veterinarian and a record of the exam has been provided to the Buyer prior to receiving the puppy. The Buyer has been given the opportunity to review this record.

HEALTH

The Breeder has performed all actions necessary in a timely manner to produce a healthy, happy, sound puppy by raising the puppy in the best possible environment in regards to diet, vaccinations, exercise, socialization and veterinarian care. To the Seller's knowledge, the puppy is in good health and free of communicable diseases the time of sale.

The Seller guarantees the puppy to be of sound health and temperament at the time of this sale. The purchaser has the option to take this puppy to a licensed veterinarian within 72 hours of transfer for a physical exam after receiving. The Purchaser agrees to notify Seller of the results of this exam by scanning or texting a copy of the office receipt showing the results of this exam. Failure to do so, voids this Agreement. If your puppy, in the opinion of your veterinarian, has any genetic problems, upon the initial visit, which makes your puppy a poor health risk, we will provide you with a healthy replacement

puppy. There are no refunds. To qualify for the replacement of a puppy, you must return the puppy alive within 24 hours of the veterinarian determination, at the expense of the Buyer or a cause of death and testing results if the pup should die. You must provide us with a signed copy of the veterinarian examination at the Buyer's expense. Buyer must provide Seller with a signed statement from the veterinarian showing the date on which the puppy was examined and stating why the puppy is a poor health risk. The statement must include a description of the symptoms supporting this opinion. Under no circumstance must the puppy be euthanized or surgery performed at this visit if you wish to qualify for a replacement puppy without prior consent of Seller. Seller is not responsible for veterinarian fees or medications that may be incurred while visiting with your veterinarian. If it is determined that a replacement puppy is necessary, then your puppy will be replaced with a similar puppy from the next available litter. Buyer is responsible for any travel expenses incurred to obtain a replacement puppy.

If you return the puppy, you must also return all paperwork. You must sign any and all papers necessary to transfer ownership of the puppy back to Seller.

Health guarantee is provided for first 5 years of dog's life, if NuVet vitamins are administered on a daily basis, 3 year health guarantee if no supplements are given.. If at any time within the first 5 years of dog's life death occurs due to a genetic defect a replacement puppy will be provided to the Owner. Medical documentation must be provided by a licensed veterinarian that puppy died of said disease and that all required vaccinations were continued in a timely manner after possession of puppy by Buyer until time of death of said puppy. We do not guarantee against any conditions brought on by stress or environmental conditions or injury that we cannot control once the puppy leaves our care that can be treated with medication or corrected by surgery. All veterinarian expenses incurred by the Buyer are the sole responsibility of the Buyer.

All puppies are sold as pets only. No guarantees are made as to size, color, quality or fertility.

POTTY TRAINING

The Buyer understands that the puppy is not fully house broken and that the Seller does not aggressively potty train prior to the puppy leaving our care. As there are many methods of potty training, and all methods are permanent, the preferred method is left to the Buyer.

BEHAVIOUR TRAINING

Buyer is advised to enroll puppy in training classes. Seller makes no promise of behavior and training of the puppy is the sole responsibility of the Buyer.

SHIPPING

Shipping schedules cannot be guaranteed due to changes in airlines as many flights are being cancelled. Dandelion Farms will make every attempt to ship your puppy as soon as possible, but we cannot control airline schedules. No refunds will be given based on shipping schedule. At this time, only direct flights to major hubs will be allowed and puppies will only be flown using a pet nanny.

REHOMING

If at any time, the Buyer decides the puppy is no longer wanted, Buyer agrees to rehome the puppy. This Agreement is between the Seller and original Buyer and shall become null and void if the puppy is sold, given away or transferred to another Individual.

Further, shall any problems arise where an amicable agreement cannot be reached, and the Buyer feels litigation is the only option, the Buyer must file a complaint in the county seat in Texas where the Seller resides.

PUPPY PICK UP

Unless otherwise agreed upon, puppy must be picked up within 3 days of maturity date (8 weeks of age). If Puppy is not picked up within 3 days of maturity date, an additional charge of $30 per day will be charged for boarding and additional charges will incur for additional vaccination shots given to puppy.

BREEDING

Buyer agrees to spay/neuter puppy before the age of 9 months. Proof of spay/neuter must be provided to Seller. Breeding is not allowed without written consent of Seller. Unauthorized breeding will result in legal action and monetary compensation to Dandelion Farms of no less than $10,000.

Due to unauthorized breeding, AKC registration and pedigree will only be provided upon proof of spay/neuter.
